BIG WORK HORSE AND MULE SALE EXPECTED HERE ON COURT DAY

Large Number of First Class Work Animals to be Offered For Sale Monday—Many Farmers Expected in the City.

Arrangements are being made for a very large number of farmers in the city on Monday as it is the regular March County Court day. In many respects this should be the biggest court day of the year. It is the time when all of the farmers are getting ready to make their moves for the year and therefore they will be wanting to purchase new stock and to get rid of surplus stock.

Many of the farmers disposed of their work stock at the beginning of the winter instead of wintering them on their farms but the time has now come when a double team is necessary on the farm and it is therefore expected that work animals will be in keen demand.

Arrangements have been made by the Chamber of Commerce committee in charge of the stock sales to have a goodly number of such animals here for sale. Quite a number of farmers will have young stock which should be broken this year for sale besides the old work horses and mules. One Washington farmer will have twenty-five head of good work mules for sale and others will bring in good droves of these animals.

It is not expected that there will be such a brisk business in cattle but the horse and mule pen will certainly be filled and there will certainly be a large number of farmers in the city.

The business men are expecting a big business and have arranged to care for it.

EVANGELIST ASSIGNED TO METHODIST PASTORATE

The Western Christian Advocate says: "The Salsville charge was vacated by the Rev. A. W. Rowe, the first of January, and has been without a pastor until recently the Rev. N. G. Griswold was assigned to take charge, he was a former member of the Kentucky Conference for twenty odd years then was transferred to the Ohio Conference, where he served up to two years ago, when he was located at his own request and has since been evangelizing." It will be remembered that Rev. Griswold was formerly pastor of the Forest Avenue M. E. church and was recently evangelist in a revival at the local Holiness church.

BLACKSTONE CLOSING BIG ENGAGEMENT TODAY

Interest in Great Magician at Washington Growing Daily—Large Audience Expected on Last Night.

Judging from the spirited advance sale for the Great Blackstone company's farewell tonight at the Washington Opera House the man who possesses the clearest pair of bands in the world is going to play to another capacity audience. The sale was greater than all expectations and indicates that an interest is being manifested in the engagement of the superman of mysticism that is going to stand as a record.

After all, who is there that does not just dote on being surprised and fooled? Who does not enjoy sitting in a theatre and watching the work of a mystifier, confident in his or her own ability to detect his methods? Who does not honestly believe that the man or woman does not live that can successfully fool him all of the time. And who does not delight in trying to work out in his or her own way the solutions of mystifying illusions, transformations and strange and morbid human disappearances?

Once the baffling performance of the Great Blackstone and his clever company, mostly girls, was seen every person in town was talking about his really great feats of mysticism, advancing theories as to their execution. His field of work includes every art that has been employed on the stage of mystify an audience. While the arts might be termed old his achievements are 90 per cent. new, being his own creations and inventions and fully protected against infringement by less original and unscrupulous performers.

DISTRICT MISSION BOARD WILL MEET HERE

The District Mission Board of the Bracken Baptist Association will hold an all day's meeting in the local Baptist church on next Saturday and it is expected that there will be many members of the board present from this and the nineteen other counties in the district.

WIND LOSSES HEAVY THROUGHOUT COUNTY

Reports coming into the city this morning indicate that the heavy wind of Friday did considerable damage to property throughout the county. Many window glasses were blown out and telephone lines were badly tangled.

FIVE-CENT DECREASE SHOWN IN AVERAGE HERE PAST WEEK

Nearly Two Million Pounds of Tobacco Sold During Past Week at Thirty Dollar Average—Closed Stronger Friday Report Says.

The price on the Maysville loose-leaf market decreased five cents during the past week, according to the weekly report of Supervisor William Mitchell issued this morning. The weekly average for the week just closed Friday is reported as thirty dollars per hundred while the weekly average for the preceding week was thirty-five dollars.

Mr. Mitchell's report shows that the receipts are falling off quite a bit every week but it also discloses that we will have to sell but two million pounds more to make a total for the season of twenty-five million pounds of the weed.

Supervisor Mitchell's report follows:

"During the week closed Friday the Maysville loose-leaf tobacco market sold a total of 1,968,184 pounds of tobacco at an average of \$30, per hundred pounds. This brings the season's total to 23,030,449 pounds. The market closed Friday a little stronger than it had been the fore part of the week. Receipts have begun to drop off quite a bit.

WILLIAM MITCHELL, Supervisor Maysville Tobacco Market.

Warehousemen are of the opinion that there is even more than two million pounds in the country to be delivered and it now looks that the market would not close for the season until after the middle of March, however, farmers are urged to take no chances of being shut out and are urged to market their weed just as soon as it is ready for market.

HOUSES FOR RENT, AND STOCK OF GOODS THEREIN FOR SALE.

The property of James T. Dickson, consisting of his residence, store room and stock of merchandise, at the corner of Second and Walnut streets, Sixth Ward, Maysville, Kentucky, is in my hands as his Committee, and I am desirous of renting the house, and sell the stock of groceries, notions, etc. It is a good stand, he had a good trade, which will go with it. I bring away from home, any one interested call on W. W. Ball, Jr., at State National Bank, and he will show you the property and stock, or have Mr. E. C. Myall to do so. W. W. BALL, Committee of Jaa. T. Dickson.

HE'S A MUSICAL MAN

The Georgetown, (O.) News Democrat editorially says: "Following the organization of a boy band at Maysville, John W. Young organized a girl band, and has now followed with an orchestra, all of which makes the time opportune for us to say that if John doesn't have every fellow in the burg playing some kind of an instrument they will be whistling or keeping time with their feet. We know, because he worked upon us the same way.

WILL ATTEND BIG STATE CONFERENCE

The big state conference on Kentucky Problems scheduled to be held at the State University at Lexington March 4 and 5 will be attended by prominent business and professional men from all over the state. Mason county will be represented by Mr. W. W. Ball, Jr., of the County Council of National Defense and it is expected that others will also attend from this county.

NEW NEWSPAPERS ARE CONTEMPLATED

The plant of the Dover News will soon be sold to settle up the estate of the late Sam W. Stairs. It is understood that a number are looking into the matter with a view of purchasing. It is understood that a newspaper is contemplated for Minerva, this county, and that another is contemplating moving the plant to Ohio.

MARCH IN LIKE A LAMB

February left us like a lion but March came in like a lamb contrary to the old adage. If March is just as good a month as February was there will be no need for complaint. Farmers are going forward with their Spring work with great enthusiasm and more land will be planted in tobacco this spring in Mason county than ever before.

The Auxiliary to the Health League will meet Monday afternoon with Miss Casey, on Court street.

PROSPECTIVE FERRY BUYER TALKS WITH LOCAL MEN

Manchester Man Holding Option on Aberdeen-Maysville Ferry Service Talks Over Situation With Local Business Interests.

At four o'clock Friday afternoon a conference was held in the tobacco district between Mr. Brown, former postmaster and former ferryman at Manchester and representatives of the local tobacco and other business interests.

Mr. Brown holds an option on the Aberdeen-Maysville ferry and will probably purchase the ferry business within the next few weeks. He expects, according to his talk with the business men Friday, to give Maysville one of the best ferry services in this section of the Ohio valley and at the suggestion of the business interests has consented to give us a night service which will enable Aberdeen folks to come to Maysville at night and return to their homes on the steam boat instead of being put to the inconvenience of using a skiff. This will also be a great benefit to automobile tourists.

Up to the present time the Manchester man has not taken advantage of his option but it is very likely that he will do so and be helped in a financial way by Maysville business men.

Mr. Brown is in Cincinnati today in conference with government boat inspectors learning at first hand something of the equipment and just how it stands in government inspectors' opinion.

YOUNG'S ORCHESTRA WILL PLAY FOR KID'S FEATURE

Young's Orchestra has kindly consented to furnish music for the big feature, Aladdin and the wonderful lamp, which will be presented at the Washington theatre on next Friday for the benefit of the Parent-Teachers' Association of the First District school. School children all over the city are now selling tickets for the entertainment and it looks as if there would be a very large audience to witness its production. Fifteen cent tickets sold for children only are only good for the matinee. Children attending the night performance will be required to pay twenty-five cents—full rate.

MEMORIAL COMMITTEE FAILS TO GET TOGETHER

The members of the special committee named to look into the probability of erecting some sort of memorial for the Mason county soldiers, which was scheduled to meet at the Council Chamber Friday night did not show up. The matter was dropped for the present but will be taken up again at an early date.

KINGS DAUGHTERS MEETING

Mrs. James Ross, of West Third street, will be hostess to the Kings Daughters of the Episcopal church on Monday afternoon, at three o'clock.

By special invitation, Mr. Harry Curran, will read the beautiful story entitled "The Palace Made by Music." The spirit of which is in harmony with the principles of the society.

After the business session the usual pleasant social hour will be enjoyed.

MT. STERLING MINISTER TO PREACH AT BAPTIST CHURCH

Rev. T. B. Hill, of Mt. Sterling, Ky., will preach at the local Baptist church Sunday both morning and evening as supply for the pastor, Dr. B. B. Bailey, who is now engaged in an evangelistic campaign at Nashville, Tenn.

BIG RECONSTRUCTION CONFERENCE IS TO BE HELD IN MAYSVILLE

Meeting Held Friday Night Results in Recommending to the State Y. M. C. A. Organization to Hold a Two Day Conference Here.

Quite a number of our male citizens gathered at the Third Street M. E. church last night to hear reports from the local delegates who attended a recent state conference under the auspices of the state Y. M. C. A. organization at Louisville. The meeting which was presided over by Mr. George Frank, was a very interesting one.

Rev. Worth Peters, pastor of the Third Street M. E. church, gave a report of the conference that was very interesting and instructive and he was followed by Prof. W. H. Humphrey and Mr. Carl Dadds, who were also delegates from Mason county to the big meeting.

At the conclusion of the report by these gentlemen it was suggested that Mason county invite the state Y. M. C. A. organization to hold such a conference in Maysville on a smaller scale and to last for two days. It was stated that March 18 and 19 were open dates for the state workers and that this was time which would probably be best suited. After considerable discussion it was at last decided to suggest to the local Red Triangle committee that such a conference be held here.

RETRIAL OF VALENTINE CASE NEXT SATURDAY

A retrial of the case against T. R. Valentine, Sixth ward grocer, whose trial on a charge of contributing to the delinquency of juveniles resulted in a hung jury last Saturday, will be held on next Saturday before Juvenile Judge Purnell.

A LITTLE LINTOTYPER

Mr. and Mrs. W. O. Davis, of West Second street, are the proud parents of a fine baby son, who was born this morning. Mother and babe are doing fine and although a substitute is handling father's job as lino operator on the Public Ledger today, it is expected that dad will be himself again by Monday.

PUBLIC SALE

Don't overlook the C. J. Conlon sale, to be held next Tuesday, March 4th, at 10 a. m. Read the notice in today's Ledger.

BILL TO INCREASE SALARY OF HEALTH OFFICER PREPARED

Council Will Act Monday Night on Increase of the Salary of the City Health Officer—Ordinance Prepared.

Council committee on Health has prepared a new ordinance to offer at the next regular meeting of the City Council on next Monday night increasing the annual salary of the Health Officer from \$60 per year to \$300 per year.

For several years it has been the plan of the city council to pay some physician sixty dollars per year to look after the epidemic conditions in the city in connection with his regular practice but upon the county employing a full time health officer that officer was also elected city health officer and the same salary continued.

It is pointed out by those favoring the increase in salary bill that the city has spent more than \$300 a year for physicians outside of the Health Officer's salary to do work that should be done by the City Health Officer and they propose to increase the salary to \$300 and let the elected Health Officer look after the affairs of the city's Health Board by himself and without employment of other physicians whose services in the past the city has been compelled to pay.

SUITS FILED TO SETTLE ESTATES

Elizabeth Manning and W. C. Manning, her husband, vs. Emma H. Cord, et. als., is the style of a suit filed in the Circuit Court here this afternoon asking that a certain house and lot in the Helena neighborhood be sold by the Master Commissioner and the proceeds be divided among the heirs of Elizabeth Harrison and Emily Daulton, both deceased, who owned the property jointly.

Elizabeth Manning and W. C. Manning, her husband, vs. Suddie Gaither, et. als., is the style of another action asking that the court sell a certain tract of farm land in the Helena neighborhood to settle the estate of Emily Daulton, deceased.

MRS. WILSON'S FUNERAL MONDAY MORNING

The body of Mrs. J. Swain Wilson, who died Thursday at her home in Memphis, Tenn., was brought here today and taken to the residence of Mr. and Mrs. Thomas M. Russell, in Third street. Funeral will be held from the Russell home Monday morning at 10:30 o'clock and burial will be made in the Maysville cemetery.

COMMITTEES NAMED BY HEAD OF POULTRY ASSOCIATION

President Dodson, of Poultry Association Names Committees—Important Meeting Wednesday.

The regular meeting night of the Poultry Association has been changed from the first Thursday to the first Wednesday night in each month. On next Wednesday night very important business will be transacted, and every member is expected to be present. County Agent Kirk has asked Mr. A. S. Chapin, of the Experiment Station, to be here, and he will assist in the perfecting of the organization for the coming year. A radical change is contemplated, which will put the Mason County Poultry Association in a class by itself among similar organizations in Kentucky, if it is carried out as planned.

President George Dodson has appointed the following committees:

Junior Club Work—George Kirk, Chairman, Frank Hunsicker, E. B. Piper, A. G. Watson.

Committee on Rhode Island Red Standardization—Chas. Conrad, Chairman, E. B. Piper, W. H. Newell, Mrs. R. T. Stevens.

Committee on Membership—H. P. Purnell, Chairman, Thos. Proctor, Chas. Conrad, J. R. Stevens.

The first twenty-five who order Rhode Island Red eggs in Mason county will receive free a year's subscription to the Rhode Island Red Journal. Get your order in at once to the County Agent. Remember that the early hatches say the best. You should start settling hens or incubators by the tenth to fifteenth of March if possible. The eggs you get this year will be good ones and a record will be kept so that every egg can be traced. No confusion will be possible under this system, and the small profit made on the sales will be used for prizes for Rhode Island Red exhibits at the poultry show.

NOTICE TO THE PUBLIC

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

Every now and then we hear something said about export duties, but the most urgent of them is Amerongen's duty to export Mr. Hohenzollern.—Collier's Weekly.

What we want to know is how, in the light of the last four years' disclosures, can any warfare in Germany be termed "civil"?—Detroit Free Press.

Now you know what they used to mean when they said something about "bumper" crops. At least you know who gets the bumping.—Knoxville Journal.

The cost of living is reported to be headed toward lower altitudes. But our grocer takes no stock in newspaper talk.—Dallas News.

Public Sale

—OF—

Mason County Land

The undersigned corporation, Haywood Hospital, of Maysville, Kentucky, will on

WEDNESDAY, MARCH 5

at 2 o'clock p. m. on the premises, sell at public auction to the highest bidder the tract of land situated on the Hill City Turnpike in Mason county, Kentucky, and being a portion of what was formerly known as the George Wood farm, and which was deeded to the undersigned by Fannie A. Hayes, by deed dated June 7, 1911, recorded in D. B. 114, page 90, Mason County Court records, bounded and described as follows:

Beginning in the middle of the Hill City turnpike, Southwest corner to farm formerly owned by John T. Martin; thence with the pike S. 2 deg. 41 min. W. 7.39 chains, 4 deg. 38 min. W. 8.30 chains to a stake on the south side of the macadam at the angle of the pike and corner to George Coffee; thence with the fence on the east side of an old road S. 3 deg. min. W. 15.71 chains to a stake; thence S. 7 deg. 35 min. E. 5.37 chains crossing a gate post to a stake in the county road; thence with a line of Pack Marshall and Mrs. George Wood S. 85 deg. 4 min. W. 44.38 chains to a stone at the south end of a stone fence corner to Newell; thence with his line N. 29 deg. 38 min. E. 18.08 chains to a stake; thence N. 35 deg. E. 10.24 chains to a stake in Foster's line; N. 89 deg. 52 min. W. 10.12 chains to a stake; thence N. 1 deg. 16 min. W. 6.34 chains to a stake 6 links below a sugar tree, corner to farm formerly owned by John T. Martin; thence with his line N. 89 deg. 23 min. W. 11.83 chains to a stake; thence N. 72 deg. W. 9.19 chains to a stake standing 30 1/2 deg. E. 7 links from a black walnut; thence N. 45 deg. 21 min. W. 11.49 chains to a stake; thence N. 86 deg. 9 min. W. 18 chains to the beginning, containing 158 68-100 acres.

There is a number one tobacco barn and stripping house, a good dwelling and outbuildings on the place. The place is well watered.

Said farm is now in the possession of Joseph Davis as tenant of the undersigned, whose term expires March 1, 1920, and full possession of said farm will be given to the purchaser on said date. The rent for the year ending March 1, 1920, shall not pass to the purchaser, but shall belong to Haywood Hospital. Privilege granted purchaser to seed during spring and fall of 1919.

The terms of this sale are as follows: The purchaser will be required to pay \$2,500.00 in cash on the day of sale, and the balance of the purchase money shall be due and payable, one-fifth on March 1, 1920, one-fifth on March 1, 1921, one-fifth on March 1, 1922, one-fifth on March 1, 1923, one-fifth on March 1, 1924, and to execute notes for said deferred payments, each bearing interest at the rate of six per cent. per annum, payable annually from and after March 1, 1920. The purchaser may, however, pay in cash any one or all of said deferred payments with interest up to the date of payment, and in case he shall desire to make such cash payment before March 1, 1920, he may do so, and his note or notes so paid will be discounted at the rate of five per cent. per year from the date of payment up to said date.

Preaching by pastor at 10:45 a. m. Praise meeting at 7 p. m. Address by Mrs. Porter of Louisville.
Endeavor Meeting 6:15 p. m.
Prayer Meeting Thursday 7 p. m.
All cordially invited.
J. BARBOUR, Pastor.

The Little Brick Church.
The pastor will preach at 10:45 a. m. and at 7 p. m. The topics will be "Phases of the Missionary Centennial." Everything in Methodism is now focalized on this great celebration. Come and get familiar with its purpose and the methods of the celebration.
The Wesley Brotherhood will meet with the Sunday School at 9:30 a. m. Let each member bring a visitor.
J. J. DICKEY, Minister.

First M. E. Church, South.
We will have two special musical numbers Sunday morning. A trio, and a mixed quartette. The subject of the sermon will be "The Human Elements That Enter Into the Christian Life." We urge everyone to be present. The pastor is trying to bring a series of messages that bear directly on our work. Our musical program is under the direction of Mrs. J. C. Burwell. We try to make the services interesting and helpful.
Everybody invited. Strangers and visitors welcome.
WILL B. CAMPBELL, Pastor.

Third Street M. E. Church.
Tomorrow will be the second Sunday of the Stewardship Campaign. The subject for the morning service will be "Stewardship of Life." In addition to the sermon by the pastor, three Minute Men—C. S. Dale, H. C. Politt and J. H. Richardson will talk on some phase of the subject. "Stewardship of Property" will be the evening subject. Morning service at 10:45; evening at 7. The excellent work of the chorus under Carl Dodds is providing a big drawing card to the services. The chorus meets Saturday night to prepare several extra fine members for the services tomorrow. Prof. Young's Orchestra will play at the evening service.

Sunday School at 9:30 a. m. Don't forget our fine Children's Department under Miss Hurd. This department is growing. The work is being carried on with the same care as the public school work. You will make no mistake by sending your children. The Young People's and Adult departments meet in the auditorium with an excellent corps of teachers. The Sunday School Orchestra accompanies all singing.
Epworth League service at 6:15 p. m. led by Miss Emma Debold. Topic, "High Hearts For Great Days." A hearty welcome awaits all who will accept of our cordial invitation to attend these services.
W. S. PETERS, Pastor.

Put On The Left Shoe First

They all said it—Dough-boy, Polli, and Tommy—and clinging to that bit of trench superstition, they believed it brought good luck for the day—and longer life in the shell-racked stretch about them.

But in these fairer, happier days, when peace whisks the wheels of motordom again, we say,

"Put on the right shoe first."

And, of course, the right shoe, is the Goodrich Shoe, because it means good luck day and night, and longer life in your tires.

But there's no superstition about it; only the big, husky body, and the wide, thick BLACK SAFETY TREAD, Goodrich builds into tires that—

GOODRICH TIRES

"BEST IN THE LONG RUN"

KEEP THE DOLLAR ROLLING SUBJECT NOW BEING URGED

Survey Conducted to Determine Attitude of Cities Toward Public Work and Their Plans Along the Line.

The Municipal Engineering Magazine, say we should adopt as our motto "The Better for Prosperity Its Creation" and suggest that we start the dollar rolling and keep it rolling.

A survey was recently conducted by their offices to determine the attitude of the various cities regarding public work and the plans they were making along this line.

Mr. J. S. McCullough, City Engineer of Public Property of the city of Wisconsin, says:

"Replying to your letter of the 17th Inst. I beg to advise that our Commission has authorized us to prepare plans for a number of improvements to try to take care of the expected labor situation the coming season. The city authorities are making every effort to provide as much work as possible for the returning men, and the following work is practically assured. "22,500 square yards paving. 17,000 lineal feet combined curb and gutter. 4,700 square feet of repaving, aggregate cost approximately \$60,000. About 1 1/2 miles of sewer work of various sizes, aggregate cost approximately \$25,000. In addition to this there is reasonable expectation of park improvements, including a recreation or mem-

orial building, details of which have not yet been worked out, and the probable expenditure will be in the neighborhood of forty and fifty thousand dollars.

The above projects will undoubtedly be carried through, and as the season progresses other sewer and pavement work is liable to be added."

Philadelphia, Penn., Feb. 28.—The United States Mint started today a shipment of 8,253 bars of silver to the value of \$4,000,000 for India. They will be sent by way of San Francisco.

TERRIBLE SWOLLEN

Suffering Described As Torture Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while lifting, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs., and fell off until he weighed 110 lbs., in two weeks. He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He did this yet without result. We became desperate, he suffered so. He was swollen terribly. He told me his suffering could only be described as torture. I sent and bought Theodor's Black-Draught. I made him take a big dose, and when it began to act he fainted, he was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Theodor's Black-Draught." Theodor's Black-Draught will help you to keep fit, ready for the day's work. Try it!

SUNDAY SCHOOL LESSON
Lesson For March 2, 1919.
International Sunday School
Topic: "The Report of the Spies."

Following last Sunday's lesson the Israelites remained at Mt. Sinai about one year during which time the tabernacle was constructed and the great code of laws recorded in the book of Leviticus was received. The host had traveled to the border of the promised land—the land of Canaan. It was now less than two years since they had been delivered from Egyptian bondage. From a hard of slaves they had been transformed into a nation, a free people. They had been given natural ideals through their great leader, Moses.

Four hundred and thirty years before this time God had called Abraham out of Chaldea and promised to make of him a great nation and to give to that nation the land of Canaan for a habitation. The clock had struck, and the hour of destiny had passed. God's promise to Abraham was now to be fulfilled. Before this host of three million of people lay the rich land of Canaan, a land "flowing with milk and honey," an agricultural land. The God who had delivered them from their bondage by mighty miracles was still leading them and promised to give them the land for an inheritance forever. There was nothing to do but "go up and possess it." No nation ever had a greater opportunity. What happened?

With victory within their grasp they turned their backs to the prize and their faces to Egyptian bondage! Moses sent twelve men, a leader from each tribe, to spy out the land, before they would enter. He did this at the command of God. After a survey of forty days, in which they went through the length and breadth of the land, they returned and made a majority and minority report. All agreed it was a rich, delightful land, filled with towns and cities, many of them walled; and that there were some mighty men whom they called "giants" in the

land. Ten of the twelve said we cannot take it; two—Caleb and Joshua said, "We can conquer it and make it ours." They based their confidence on God's promise to give it to them. He had said, "I will fight your battles for you."

The only difference between the reports was the difference between faith and unbelief. This is the difference between successful and unsuccessful workers in God's Kingdom today. Lack of faith is the weakness of the church today, and ever has been. We learn from Heb. 11th chapter that all the great triumph of God's people have been won by faith. Faith gives courage and courage brings success. During the late war everything hinged on the morale of the army. So it is in God's spiritual army. The Christian man must cultivate his faith by prayer by reading the Bible, by studying the lives of great Christians. Faintheartedness means failure. God means for his church to conquer the world for Christ and because of unbelief she has failed. For their unbelief the Israelites were doomed to wander in the wilderness for forty years, and none of them who were over twenty years old when they left Egypt were permitted to enter the promised land. For nearly two thousand years the church has been halting before the world's conquest and making but a feeble effort to obey the great commission.

A better day has at last come, and the church is rallying to this great enterprise as never before. "Go forward"—has been sounded down the line, and the hosts of God's elect are training for the final assault. Everything indicates that "the gospel will be preached to every creature" in this generation. So mitc it be.

SHE COULD NOT STAND OR WORK

But Lydia E. Pinkham's Vegetable Compound Restored Her Health and Stopped Her Pains.

Portland, Ind.—"I had a displacement and suffered so badly from it that at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not sleep at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and doing my work and I give Lydia E. Pinkham's Vegetable Compound the credit."

Thousands of American women give this famous root and herb remedy the credit for health restored as did Mrs. Kimble.

For helpful suggestions in regard to such ailments women are asked to write to Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

DESCRIBES LIGATION OF LIVE STOCK FROM DISEASE

Chief of Federal Bureau of Animal Industry Sees a New Day Dawning; Asks Continued Support of Business Interests.

Washington—"Recent results in the control of animal diseases give a vision of a new day in which the American stock raiser, freed from the ravages of some of his foes and with others brought under subject, can pursue his calling in greater security, increase his contributions toward supplying the growing needs of the world."

That is the encouraging outlook for American farmers in fighting an annual preventable disease loss of \$175,000,000, as described today by Dr. R. Mohler, Chief of the Bureau of Animal Industry, U. S. Department of Agriculture, before the Agricultural Committee of the American Bankers' Association.

After expressing appreciation for the help of American bankers and others business men in fighting animal diseases, Dr. Mohler said: "Through the joint efforts of Federal and State agencies and of stockmen generally, spurred on by the unusual requirements of the present, we are pressing more vigorously than ever before our assaults against enemies that have too long preyed upon our flocks and herds."

Dr. Mohler reviewed the status of the principal live-stock diseases that have attacked or are attacking domestic animals in this country, expressing hope that all of them will be either entirely eliminated or brought under control.

WORDS FROM HOME

Statements That May Be Investigated. Testimony of Maysville Citizens.

When a Maysville citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Maysville resident. No stronger proof of merit can be had.

George H. King, prop. grocery 615 E. Second St., says: "I have used Doan's Kidney Pills off and on for several years, getting them at Chancellor's Drug Store and I have been greatly benefited by them. Sometimes the kidney secretions have been irregular in passage. I have suffered severely with aches through the small of my back. When I have been in that way, I have used a box or two of Doan's Kidney Pills. They have never failed to cure the attack in quick order."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. King had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

der such control that their ravages will be negligible as compared with the present great annual losses—estimated to have been \$212,000,000 in the single year 1914.

The campaigns for increased production have yielded especially fruitful results with regard to pigs and poultry. "Indications are that the increase of 15 per cent in pork production for 1918 over 1917, as asked for by the Food Administration, has been realized, at least in weight if not in number of hogs. Poultry also shows a material increase, and enormous quantities of eggs have been preserved by householders in the season of plenty for use in time of scarcity. Efforts have been made also to maintain and increase the output of dairy products by means of more and better cows, better methods and practices, and the extension of the industry.

After describing how American bankers and business men aided in stamping out the infection of foot-and-mouth disease in 1914—the most serious and extensive that has occurred in this country—Dr. Mohler gave attention to the campaigns in which the bureau is now engaged.

"The most striking example of what has been and what may be accomplished in the systematic stamping out of animal diseases is the campaign for the eradication of the southern cattle ticks," he said. In a little more than 10 years the area infested by these parasites has been reduced from 728,565 to 270,036 square miles, the area freed from ticks amounting to 458,529 square miles, or 63 per cent of the whole. Ticks are charged with direct losses calculated at \$40,000,000 annually and with far greater indirect losses. The success of this work, said Dr. Mohler, not only stops the losses caused by the ticks, but enables the country to increase and extend the cattle industry, with increased production of meat and dairy products and with great benefit to general agriculture.

"Hog cholera doubtless has caused heavier losses than any other single disease," declared the Federal official. The annual loss varies from year to year, but has been estimated to average \$40,000,000. A few years ago, after many years of scientific research, the Bureau of Animal Industry succeeded in preparing a serum which would protect hogs against this disease. Field experiments have demonstrated that this serum gives practically absolute protection to hogs that already have not contracted the malady, while it greatly reduces the loss in herds in which the disease already has appeared. The country-wide death rate from hog cholera in 1917 was but 42 to the thousand, the lowest in 35 years and a thousand contrast to the 144 to the thousand in 1897 and the 118 to the thousand in 1914.

"HOME OF GOOD EATS."

117-119 W. Second St. Phone 619

"It would be a mistake of hog cholera," said Dr. Mohler. "The immensity of the problem is such that it can be attacked successfully only when the states and local organizations are in a position to cooperate with the Federal Government. The first and most important steps have been taken already and the rest appears to be largely a matter of time and education."

The last territory infested with cattle scab was released from quarantine in April of 1918, and only 10 counties in California, 11 counties in Texas and 3 parishes in Louisiana are now under quarantine for sheep scab. These diseases, said Dr. Mohler, at one time prevailed throughout most of the region west of the Mississippi River.

The Busy Hour for Telephoning

If we comprehend that residences are ordering their groceries and supplies—that retailers are ordering from the wholesalers, that freight depots are notifying their consignees, and professionals making their daily appointments—at just the time we are doing our own ordering, it must be between nine and ten o'clock in the morning.

If the "line is busy" when we call at that time, it is also busy for others when we are using it, and the whole situation might be relieved if we called later in the day.

If the person persists in visiting during the busy hours will have fine consideration for others, she will do it later in the day. She will not under any circumstances talk over five minutes. And she will use the telephone on party lines for reasonable and necessary purposes only.

ANOTHER MEMBER OF STRICKEN FAMILY DIES

Anna Belle Emmens, 14-year-old daughter of Mr. and Mrs. Jess Emmens, of the Lewisburg neighborhood, died at the home of the parents late yesterday afternoon of pneumonia developing from influenza. Her brother was buried in the Maysville cemetery yesterday afternoon having died of the same disease. Six other members of the family are now ill with the disease.

LUKE McLUKE MAY LECTURE IN MAYSVILLE

For some time a number of personal friends of Luke McLuke, the Cincinnati Enquirer funny man, have been trying to get him to come to Maysville for one of his famous funny lectures. It is understood today that he has about consented to come here for a day and it is more than likely that the Washington Opera House will be rented for his lecture. Luke should draw a good sized crowd.

BOARD OF EDUCATION HOLDS UNEVENTFUL SESSION

The regular monthly meeting of the City Board of Education was held at the High School building Friday night and little of importance was transacted. Miss Opal Baugh was elected a teacher in the First District school and Mr. B. B. Bailey, Jr., was elected teacher of history in the High School. The residence adjoining the High School property was rented to Superintendent W. J. Caplinger.

LARGE SMOKE STACK FALLS

During the high wind Friday afternoon the large metal smoke stack at the Maysville Water Company's plant in the East end was blown down and considerable damage was done to the roof of the building. This stack was used on but one set of boilers and will not interfere with the city's water supply.

"HELL" MORGAN ENGAGED FOR TONGUES OF FLAMES

Alfred Allen to Be in Support of Marie Walcamp in Bert Harte Play.

Alfred Allen, that veteran character actor of the screen, who rose to immortal cinema fame playing the part of "Hell" Morgan in Dorothy Phillips' first big triumph, "Hell" Morgan's Girl, has an important role, that of Sheriff Dunn, of Yolo county, in the Bluebird production of Bert Harte's romantic melodrama of California's big trees, "In the Carquinez Woods," which has been pictured under the title of "Tongues of Flame."

When Bluebird producers decided to make this story of "forty-niner" life into a masterful photoplay, darling Marie Walcamp was cast as Teresa, the dance-hall girl, who performs under the influence of L'Eau Dormant, the educated half-breed; Al Whitman was picked to play the half-breed; Alfred Allen was chosen as the ideal sheriff.

As Sheriff Dunn, Allen is first seen with Teresa as his prisoner. He and his deputy are taking her to prison through the woods. She catches them off guard, kills the deputy, wounds the sheriff and escapes.

Then Sheriff Dunn appears as the sutor for the hand of Nellie Wynn, a preacher's daughter, whom the half-breed also loves.

Later the half-breed discovers the sheriff as the betrayer of his mother, and himself as the outcome of the affair. Then comes one of the most terrific climaxes ever seen on stage or screen.

"Tongues of Flame" comes to the Pastime theatre, Monday, March 3rd.

LIMESTONE BUILDING ASSOCIATION

Opens new series March 1, 1919. A few things you know but we will remind you of them—Your money is guarded as safely as possible. A guarantee company bonds your officers. The State Bank Examiner audits its books the same as is done in banks. Your money is loaned either on Building Association stock or on Mason county or Maysville real estate. You get all the profits less actual expenses of conducting the association.

Save while saving is good. Money to loan to buy or improve your property.

25-1wk H. C. SHARP, Secretary.

DISTRICT AGENT IN FARM WORK COMING HERE

County Agent George Kirk this morning received a letter from Mr. F. E. Merriman, in charge of farm agents all over this district, stating that he would be in Maysville on Wednesday, March 19th. A meeting of the Executive committee of the Board of Agriculture will be called to meet with Mr. Merriman and a county plan of work will likely be adopted.

Try a Ledger Want Ad. It Pays.

COUNTY HISTORIAN NAMED FOR MASONRY DEFENSE COUNCIL

Secretary Carl Dodds, of Chamber of Commerce, Will See That Mayor's Activities in World War Are Recorded.

The Kentucky Council of Defense wishes to keep before the public the historical work which is now being done under its supervision, in every county in the state, and to ask the assistance of every person who has a relative in the service.

County Historians have been appointed in practically every county in the state. The first work which they are undertaking is to get a record on a war record sheet. These sheets will contain the name and address of the soldier, the name and address of his parents, his age, the camp where he received his first training, military address, promotion, casualties, etc.

It is said that the record of each man in the Civil War was not obtained until a few years ago. But, if the relatives of soldiers will lend their aid now, while information can be easily obtained, the records of each man in the service from Kentucky can be made within a few months.

These records, when completed will be bound in permanent form and made a part of the records of the county.

It recently came to the attention of the Kentucky Council of Defense that a Kentucky boy has given his life in the performance of a most heroic act, for which he has been awarded the Distinguished Service Cross after his death; and that there was no permanent record of this award in his county, and that his parents had destroyed all letters they had received from the Government, not understanding the nature and value of the letters.

Fortunately, the State Council had a record of this award of the Distinguished Service Cross and the citation which reads as follows: Private—displayed great courage and coolness under a heavy barrage when he unhesitatingly went forward to destroy wire entanglements and continued this extremely hazardous work until killed.

This information has been furnished to the Historian of this boy's county and his name and record, together with this citation for bravery will be made a part of the permanent records of the county.

The County Historian of this county wants the name, address and military record of every person in the service from the county with a statement of casualties, promotions, newspaper articles, etc.

If you want the record of your soldier boy to be published in the records of your county get at once to the Historian of your county and get a war record blank, fill it out and return it to the Historian. This appeal is directed particularly to the mothers and sisters of soldiers.

Do not stop here. Give part of your time to the County Historian and assist him in getting information as to the soldiers in your part of the county.

Soldiers now returning from the army are urgently requested to call on the County Historian, fill out a blank for themselves, and urge other returning soldiers to fill blanks and thus aid the County Historian.

Now let us get a record of every person who entered the service from Mason county. War record blanks may be obtained at the Chamber of Commerce.

The Historian for Mason county is Mr. Carl Dodds, Maysville, Ky.

WOMEN DISMISSED AFTER RECEIVING LECTURE

Two women of the Orangeburg neighborhood, engaged in a family quarrel a few days ago and one slapped the other in the face. A warrant was procured by the woman slapped for the one who slapped her and the case was heard by County Judge Purnell this morning. After hearing all of the evidence and learning that the trouble was but a little family affair, the judge dismissed the case after giving both of the women a good lecture.

PUBLIC SALE

Having leased my livery barn on East Second street to the Maysville Lumber Co., I will offer at public sale at the above place at 10 o'clock Monday, March 3, my livery outfit, consisting of horses, wagons, buggies, carts, harness and other items too numerous to mention. Terms made known on day of sale.

MARTIN RING SAFE IN THE UNITED STATES

Mr. John Ring, of the Bull Creek neighborhood, received a telegram this morning from his son, Martin Ring, member of the 147th Machine Gun Battalion, which has been in France since last September, informing him that the contingent had arrived safely in the U. S. A. and had disembarked at Newport News, Va.
